DATED: 27/09/2020

**SUBJECT: MINUTES OF MEETING OF COMPLAINT REDRESSAL COMMITTEE (CRC) MEETING HELD ON 22-09-2020.**

The Chairman CRC received complaint from M/s Ali Dino and Co. vide letter No.ADK/2020/04 dated 17-09-2020 (Annexure-I) pertaining to the grievances on recommendations of Procurement Committee for the work titled, "Package-I Construction of Academic Block of the Benazir Bhutto Shaheed University of Technology and Skill Development, Khairpur Mirs".

As per SPP Rule# 31(5) of SPP Rule 2010, "The Complaint Redressal Committee shall announce its decision within seven days and intimate the same to bidder and the authority within three working days."

In this connection, the Chairman called a CRC meeting vide letter No.BBSUTSD/KHP/Dean-2020/141 dated 18-09-2020 in which Member/Chairman Procurement Committee and Project Director/Member Procurement Committee were called to appear before the CRC along with relevant record. The CRC also provided opportunity to the Complainant Engr Ali Dino Khokhar, M/s Ali Dino and Co. Contractor vide letter No.BBSUTSD/KHP/Dean-2020/140 dated 18-09-2020 to appear before the CRC along with relevant documents and record his statement/written statement.

The CRC meeting was held on 22-09-2020 at 12:00 Noon in the Conference Hall, BBSUTSD, Khairpur Mirs. The meeting was chaired by the Chairman CRC/Professor Dr Hussain Bux Marri, Dean Faculty of Engineering Technology, BBSUTSD Khairpur Mirs. The meeting started with recitation of the Holy Quran. The list of participants is attached at (Annexure-II).

The Chair welcomed all the participants and informed them that a complaint received from M/s Ali Dino and Co. against the Procurement Committee for the work of Package-I Construction of Academic Block uploaded on SPPRA's website by the Benazir Bhutto Shaheed University of Technology and Skill Development (BBSUTSD), Khairpur Mirs (Procuring Agency). We have to hear aggrieved party and also to know the stance of the Procurement Committee and decide in light of the SPPRA's Rules.

**Discussion:**

The Chairman CRC provided opportunity to the complainant Engr Ali Dino Khokhar of M/s Ali Dino and Co. to submit his written statement and explain grievances:

"Engr Ali Dino Khokhar (complainant) did not submit any separate written statement and requested the CRC that earlier submitted complaint may be considered as his written statement".

Later, the Chairman CRC read out the complaint of the complainant and discussed on grievances of complainant. After discussion it was observed and agreed by the complainant that

complainant has grievances on, "Elimination of M/s Ali Dino and Co. from bidding of package-I Construction of Academic Block."

Further, the CRC Chairman directed Chairman/Member Procurement Committee and Project Director/Member Procurement Committee to respond the reservation of the complainant pertaining to "Elimination of M/s Ali Dino and Co. from bidding of package-I Construction of Academic Block". The Chairman/Member Procurement Committee informed the CRC that on opening of the tender on dated 19-08-2020, when the tender of "Package-I Construction of Academic Block of the Benazir Bhutto Shaheed University of Technology and Skill Development, Khairpur Mirs" submitted by M/s Ali Dino and Co. was opened on scheduled time as per NIT that his filled original Form of Bid and Bid was already found cancelled with own signature and hand writing of Engr Ali Dino Khokhar (bidder). During process the Procurement Committee enquired from Engr Ali Dino Khokhar who was already presented in the bid opening meeting for clarification of the cancellation of Bid/Form of Bid. Engr Ali Dino Khokhar (bidder) admitted himself and conceded before Procurement Committee that he (Engr Ali Dino) has cancelled the Bid and Form of Bid. Further, the Procurement Committee gave him blank paper (test paper) to write some words/sentences on that given paper for matching of his hand writing. Engr Ali Dino Khokhar (bidder) wrote few words and put his signature on that paper in front of the Procurement Committee and returned test paper of his own hand writing to the Procurement Committee, the same (hand writing of Engr Ali Dino Khokhar) was verified/confirmed by Procurement Committee with already cancelled Bid and Form of bid and found similar/same hand writing of Engr Ali Dino Khokhar of M/S Ali Dino and Co (bidder). The Procurement Committee also signed on the test paper returned by Engr Ali Dino Khokhar of M/S Ali Dino and Co (bidder).

Therefore, the bid of M/s Ali Dino and Co. was eliminated from the further process on the basis of already cancellation of Bid and Form of Bid by Engr Ali Dino Khokhar (bidder) himself with his own hand writing that he (bidder) admitted before the Procurement Committee.

The Project Director/Member Procurement Committee informed the CRC that all the bids submitted by the bidders were scrutinized and evaluated on the basis of available record/attested documents in their bidding documents. The CRC reviewed the record (original) of the bidders and verified.

### Findings:

The CRC after review of complaint and hearing of the parties i.e. Chairman, Procurement Committee, Project Director/Member of Procurement Committee and Engr Ali Dino Khokhar of M/s Ali Dino and Co. and after review and verification of available record found as under:

- i. It has been noted at para# 1 of the complaint dated 17-09-2020 that, "the complainant has mentioned the Procuring Agency has used Single Stage - Two Envelope procedure SPP Rule-46(2) whereas the Procuring Agency has used Single Stage-One Envelope procedure as per SPP Rule-46(1). It reveals that the bidder is unaware from bidding procedure as prescribed in SPP Rules and tried to misguide/mislead to the CRC.
- ii. The eligible criteria No. 03 (d) announced by Procuring Agency in NIT (having valid License of Electrical Inspector and (e) having at least 05 years relevant experience), however, M/s Ali Dino and Co. provided Electrical License of

another contractor instead of participated contractor, the claim of complainant was not found correct as the bidding documents submitted by the bidders containing all the attested documents.

- iii. That the queries raised by complainant in his complaint at para# 7, the complainant admitted and conceded before the CRC that filled bid/form of bid were cancelled by himself with his own hand writing i.e. Engr Ali Dino Khokhar of M/s Ali Dino and Co.

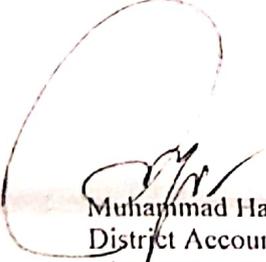

When bidder has already cancelled his filled bid/form of bid with his own hand writing, therefore, his grievances pertaining to the elimination of M/s Ali Dino and Co. is proved baseless and false. In such case Procuring Agency can exercise SPP Rule-37(5)(a) including forfeitures of bid security.

- iv. The bid of M/s Ali Dino and Co. was eliminated from the further process on the basis of already cancellation of Bid and Form of Bid by Engr Ali Dino Khokhar (bidder) himself with his own hand writing that he (bidder) admitted before the CRC and same was proved from available record.

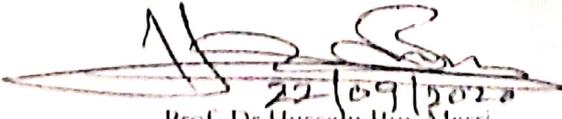

**Decision:**

The CRC after reviewed all aspects of complaint, heard the parties and decided as under:

1. Despite providing full opportunity to the complainant to defend his complaint and provide evidences against elimination of M/s Ali Dino and Co. from bidding of Package-I "Construction of Academic Block" of the Benazir Bhutto Shaheed University of Technology and Skill Development, Khairpur Mirs for reasons that, "The form of bid and cost offered by the contractor has been found cancelled with his own signature and hand writing". But M/s Ali Dino and Co. could not submit/produce any evidence before the CRC in this regard. The complaint of complainant is proved false, baseless and fabricated. Hence cannot be considered and hereby declined / rejected.
2. The Procuring Agency should ensure to execute the Electrical works through Government Licensed Electrical Contractors of Electric Inspectorate.

**SUBJECT: ORDERS PASSED ON 10-11-2010 BY THE HONOURABLE HIGH COURT OF SINDH BENCH @ SUKKUR IN CONSTITUTION PETITION NO. D-1370 OF 2009 REGARDING AWARD/EXECUTION OF ELECTRICAL INSTALATIONS, AND EQUIPMENT WORK INCLUDING THE ELECTRICAL INSTALLATIONS OF GENERATORS UNDER THE PROVISIONS OF ELECTRICITY RULES-1937 AND SINDH LICENSING RULES/ CONDITIONS-1982.**

Please refer to the above subjected matter and find enclosed herewith a copy of Order dated 10-11-2010 passed by the Honourable High Court Sindh Bench @ Sukkur and the Irrigation & Power Department, Government of Sindh Karachi letter # SOPP-5/2-71(Vol:V), dated:22.06.2000, contents of which are self explanatory for compliance/guidance.

The Upper Sindh Electrical Contractor's Association (Regd), Sukkur had filed constitution petition in the Honourable High Court Sindh Bench @ Sukkur, agitating the illegal award/execution of electrical installations / equipment works including the installation / commissioning of Generators in public/private sector to the contractors / firms / persons those are not holding Valid Sindh Government Electrical Contractor License from this Electric Inspectorate. The Honourable High Court Sindh Bench @ Sukkur decided the constitution petition vide orders dated 10-11-2010 copy enclosed for necessary compliance because the such practice is also clear infringement of the provisions of Electricity Rules-1937 and the Sindh Licensing Rules / Conditions-1982.

Besides above, the electrification works of the projects / schemes completed by the unauthorized contractors / firms / persons are being delayed for energization of the connections by the HESCO/SEPCO concerned offices for want of mandatory requirement of Wiring Completion Test Reports to be issued only by the Sindh Government Licensed Electrical Contractors of this Electric Inspectorate as required under Rule-40 of the Sindh Licensing Rules / Conditions-1982. Due to such illegal practice, this Inspectorate is also facing hardship in issuance of written consent / approval to the concerned HESCO/SEPCO offices for energization of the electric connections of the projects / schemes / works completed by unauthorized contractors / firms / persons those have no authority to carry out the electrical works and to issue Wiring Completion Test Reports thereon.

In light of above it is further advised in the best interest of Government works as well as to ensure the observance of the provisions of Electricity Rules-1937 and Sindh Licensing Rules / Conditions-1982, the electrification works of any nature should be awarded to the Sindh Government Licensed Electrical Contractors of this Electric Inspectorate for execution.

It is also advised that while issuing the work orders to the Sindh Government Licensed Electrical Contractors of this Electric Inspectorate a copy thereof should be endorsed to this office for record / reference.

Your co-operation and response would highly be appreciated.
