He further stated that the same replies may kindly be considered the version of the Executive Engineer/Procuring Agency.

The version of the complainant and the version/replies of the Executive Engineer are as under in juxtaposition:

Complainant Version	Executive Engineers version/reply
i. That the Executive Engineer (Civil) Sports & Youth Affairs Karachi invited the NITs through Single Stage one Envelop Procedure Vide its Advertisement No. T00756-20-0026, T00756-20-0027, T00756-20-0028, T00756-20-0029, T00756-20-0030, T00756-20-0031, T00756-20-0032 dated 31-12-2020 and fixing 22-01-2021 as last date of issuance and 25-01-2021 for holding dropping and opening process of NITs.	Agreed. as all the NITs vide SPPRA ID No. T00756-20-0026, T00756-20-0027, T00756-20-0028, T00756-20-0029, T00756-20-0030, T00756-20-0031 & T00756-20-0032 were uploaded on SPPRA website as well as published in National Newspapers for holding tender opening process on 25 th January, 2021 as per SPPRA Rules.
ii. That the Executive Engineer (Civil) Sports & Youth Affairs Karachi invited the NITs through Single Stage one Envelop Procedure Vide its Advertisement No. T00756-20-0033, T00756-20-0034, T00756-20-0035, T00756-20-0036, T00756-20-0037, dated 07-01-2021 and Fixing 27-01-2021 as last date of issuance and 28-01-2021 for holding dropping and opening process of NITs.	Agreed, all the NITs vide SPPRA ID No. T00756-20-0033, T00756-20-0034, T00756-20-0035, T00756-20-0036 & T00756-20-0037 were uploaded on SPPRA website as well as published in National Newspapers for holding tender opening process on 28 th January, 2021 as per SPPRA Rules.
iii. That the complainant visited many times for issuance bidding documents but	Not agreed. The complainant neither visited the office for issuance bidding documents nor

<p>same was not issued for award his blue eyed contractors on high rate, Moreover complainant have some confusions & observation under the Rule 23 the complainant write a letter to Secretary, Sports & Youth Affairs Department & to Chief Engineer and XEN Civil for Clarification and for his imposing illegal terms & conditions but no any action has been taken. Shipment of complainant was refused by the Procuring Agency i.e XEN Civil Sports & Youth Department.</p>	<p>any letter / application has been received in the office, via mail / courier, prior to opening of bid for clarification regarding imposing illegal terms & conditions. However his complaint which he had made on 19-01-2021 was received in the office for para wise comments through Section Officer (Dev) Sports & Youth Affairs Department vide letter No. SO /(D)/S&YAD/2020-21/1453 dated 22nd January, 2021, received in the office of chief Engineer on 25th January after opening of bid. It is pertinent to mention here that as per SPPRA Rules-46 (1)(1) relevant experience was asked which is part & parcel / mandatory for the Bidders to avoid any complication at a later stage on which he should not have any reservation as it is not in contravention of SPPRA Rules.</p>
<p>iv. That the Complainant down loaded Bidding Documents and attached Original Call Deposits for Bid Securities and pay orders for DR/ Tenders fees in Proposal and filled the rates proper sealed it sent to Executive Engineer (Civil) Sports & Youth Affairs Karachi by TCS courtier shipment No (2066932540) & same was also refused, which is violation of SPPRA Rules of TCS Shipment History enclosed)</p>	<p>Not agreed with the statement of the complainant. No any bid was received through TCS in this office. However, this office exists in State life building having five floors and is occupied by various government offices. This office did not know in which office the shipper approached for delivery of TCS shipment, moreover complainant was asked to tell the name of person who refused to received the shipment but he could not tell the name of the refuser.</p> <p>On the enquiry from the TCS office through telephone by CRC Committee they also told that no any name of refuser was mentioned and on asking about weight of the shipment they told it was 0.5 kg. where as the weight of all nine NITs for which the complainant claims was about nine times more than the weight told by the TCS office/enquiry i.e (0.5 Kg). Therefore it contradicts the statement of the complainant and proves that he is misstating just to blackmail the Procuring Agency.</p>
<p>v. That on 25-01-2021, the complainant visited office but Neither the Chief Engineer Chairman of Procurement Committee and XEN Civil and Others members of PC were absent, However complainant waited till office hours but no any corrigendum was issued process, which clearly shows that the procurement committee want to awards works in secrete manner on high rates huge loss to Government in the interest of public , which is also violation of SPPRA Rules.</p>	<p>Not agreed. It is stated that on the date of opening of bids on 25th January, 2021 at 2. P.M, Procurement Committee was present consisting of 5 members, Chief Engineer S&YAD (Chairman), Executive Engineer Civil, S&YAD, (Member) Deputy Director Industries Department (Member), Divisional Accounts Officer A.G Sindh, (Member) and SO (Development) (Member). 20 to 25 bidders who were participating in the bidding were present (Attendance sheets proves their presence). Moreover the staff of the office was also</p>

Page 3 of 6

	<p>available (attendance register is proof of their presence).</p> <p>All the procedure of opening of bids was adopted by the Procuring Agency as per SPPRA Rules before the bidders by the Procurement committee. Therefore the question of issuance of corrigendum not arise because neither date was postponed nor cancelled.</p> <p>The above position clearly proves that complainant was giving totally fake statement.</p>
<p>vi. That Sir above mentioned facts clearly show and it is proved that the was not a open competition but are illegally managed tenders by Chief Engineer & Executive Engineer Sports & Youth Affairs Karachi to award these works to their favorite and specific persons through illegal way by not conducting the fair and transparent procurement process, as there were also observation made by SPPRA Head Office Karachi, but the XEN did not care for such observations and misused his powers for award his blue eyed contractor on favoritism basis in huge loss of Govt. on high rate.</p>	<p>This office /Procuring Agency believes in free, fair, open and transparent procedure of bidding process and follow all Rules/Regulations Of SPPRA therefore the open competition among the genuine Bidders was held in front of about 20 to 25 bidders/participants who applied and members of the Procurement committee, following the prescribed procedure under SPPRA rules opened the bids, announced the rates loudly and signed all the relevant papers/documents on the date and time i.e 25th January, 2021 at 1400 hours. Therefore the question of favoritism/nepotism does not arise at all.</p>

QUESTIONS ASKED BY CRC COMMITTEE, THE REPLIES OF THE COMPLAINANT AND OBSERVATIONS OF THE CRC.

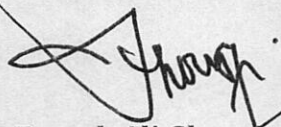

Question by the Committee	Reply of Bidder / complainant	Observation of the CRC
<p>The Chairman of the CRC asked the complainant on which date you sent bids/bidding documents through TCS along with call deposits and tender fee</p> <p>For how many NITs you applied provide the sealed box which should be at least weight of more than 4.5 kgs.</p> <p>Who refused to receive the TCS, is there any name on the receipt of TCS, who refused to receive the shipment.</p>	<p>On 21st January, 2021.</p> <p>Complainant tolled CRC that his consignment was not received by the office of Procuring Agency.</p>	<p>The CRC checked the photocopies of the pay orders bearing Nos. 00202324 to 00202339 produced by the complainant before the committee which were of Bank Islami Qasimabad Branch Latifabad, Hyderabad dated 23rd February, 2021 and the committee surprisingly asked the complainant when CDs are made on 23rd January then how you had applied two days before on 21st January, 2021 for all NITs through TCS whereas total 8 for tender fee and 8 for CDs are made 2 days later, whereas one photocopy of CD made of JS Bank, Qasimabad, Hyderabad was produced by him and its date was 21-01-2021 without any other relevant papers like bid documents which show his participation.</p> <p>Looking at the photocopies/record,</p>

		<p>the enquiry from TCS office through its tracking history as stated in the PA's reply/version too, the irrelevant replies/lame excuses of the complainant the CRC showed their concerns and decided not to support/discourage these type of complainants.</p> <p>He claimed that he had applied for all (9) NITs but failed to provide the original sealed TCS box with lame excuses,</p> <p>Failed to tell name of any person to whom he approached.</p>
<p>Mr. Ali Nawaz Talpur, member asked did you visited the office of Engineering Wing of Sports & Youth Affairs Department to participate in bidding opening process on 25th January, 2021 where as the PA has stated that you were neither seen nor met any person.</p> <p>If you have any proof you should share with CRC.</p> <p>The time of entering in the office of PA on 25th of January.</p>	<p>I visited the office of Procuring Agency on 25th January which was the opening date of the bids just to see whether opening process is under way or otherwise</p>	<p>The CR Committee observed that the complainant had no any proof which show his seriousness in the participation of bidding as well as his presence on 25th of January, 2021 even he failed to provide any proof like pictures/video recording in this time of technology.</p> <p>He failed to show provide any proof of his presence.</p> <p>He stated that from 11:00 AM to 05:00 PM he was available in office.</p>
<p>Mr. Tayab representative of the AG Sindh enquired by asking the Bidder when you would have been apprised/informed through TCS auto tracking message that your shipment has not been received then why not you brought your bids to participate in person on 25th January in bid opening where as you had stated that you were present in the office of PA whole the day.</p>	<p>The complainant could not reply properly.</p>	<p>The committee verified from the receipt and tracking history of TCs that he would have been informed on 22-01-2021 as the shipment was refused to be received ,as per TCS policy.</p>
<p>The Chairman CRC asked the complainant when you were aware that your bids were not available then what was the reason of your presence whole the day in the office of PA. Whereas you had stated that nobody from PC and from the</p>	<p>He stated that he was not aware.</p> <p>Nobody was available there.</p>	<p>The Committee checked the attendance sheets of the Bidders, procurement committee and the envelopes and other papers which were signed by the P Committee on the opening date and time which was mentioned. Attendance register was also checked of the</p>

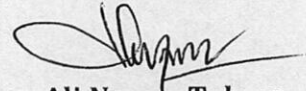

<p>office staff was available there. Any proof if you have should share/provide to CRC.</p>	<p>No any proof was provided by the complainant.</p>	<p>office of the Engineering wing of S&YAD. Even then the CRC confirmed from the members of the PC about their presence and all stated that they were present on the date of opening of bids i-e, 25th January, 2021 at 2 pm and all the bids were opened as per prescribed SPPRA Rules. The allegation made by complainant of non-availability of PC and staff of whole office of Procuring Agency situated in the centre i-e, State life building Karachi is unjustified and totally fake. Moreover, the complainant has no any solid proof of his presence or absence of the office staff and members of PC.</p>
