**MINUTES OF COMPLAINT REDRESSAL COMMITTEE MEETING**

**Name of Work:** REQUEST FOR PROPOSAL FOR SELECTION OF CONSULTANTS FOR PLANNING, DESIGN OF HOUSES, INFRASTRUCTURE AND CONSTRUCTION SUPERVISION OF RESETTLEMENT OF AFFECTEES OF GUJJAR NALLAH, MEHMOODABAD NALLAH & ORANGI NALLAH, KARACHI.

With reference to the letter No.Dir(Admin)/PIU/01-27/2023 dated: 27<sup>th</sup> January, 2023 the meeting of **Complaint Redressal Committee** was held on 31<sup>st</sup> January, 2023 in office of the Special Secretary (LG) / Project Director, PIU, Resettlement of Affectees Project, 1<sup>st</sup> Floor, Annexe building # 5, Tughlaq House, Sindh Secretariate, Karachi wherein the following members of the CRC attended the meeting: -

1	Mr. Muhammad Usman Moazzam, Project Director	Chairman
2	Mr. Mobeen Siddiquie, Ex-Chief Engineer, KDA	External Member
3	Mr. Muhammad Usman, Accounts Office, AG Sindh	Member

The members of the Consultant Selection Committee, Mr. Zain ulAbdin Mirani (Chairman CSC), Mr. Rahat Fahim (Member CSC), and Mr. Muhammad Amir Qureshi (External Member CSC), were summoned to address the criteria mentioned in the RFP. Upon asking, the CSC members emphasized that the criteria (PEC Codes) specified in the RFP are critical to the project and mandatory for a consultant to be eligible for technical evaluation.

**1. Complaint / Grievance: (M/s. Zeeruk International (Pvt.) Ltd)**

Mr. Muhammad Rafae Kamran (Business Development Manager) Representative of M/s. Zeeruk International (Pvt.) (Ltd) stated that they had already applied / submitted their case for the renewal of the PEC Registration on 21<sup>st</sup> July, 2022 and requested for the relevant Project Profile Codes as required in performing the services against the subject project.

**Discussion:**

The Committee reviewed the matter and found that as per the RFP, Project Profile Codes 1206 (Water Transmission lines) and 1231 (Landscaping and Horticulture) are essentially required for the project, and the consultant must possess a valid registration certificate from the Pakistan Engineering Council (PEC) with these codes at the time of bidding. Hence, this is a mandatory condition for being eligible for technical evaluation.

**Decision:**

- Based on the above considerations, the Committee decided to endorse the decision of the Consultant Selection Committee.

Complaint / Grievance: (M/s. National Engineering Services Pakistan (Pvt.) Ltd.)

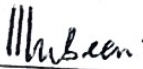

Mr. Aijaz Ahmed Shaikh, Chief Engineer, Representative of M/s. National Engineering Services Pakistan (Pvt.) Ltd. stated that they had applied for obtaining this code from PEC before submission of the subject proposal. The PEC have provided the service code 0545 (Procurement services) to M/s. National Engineering Services Pakistan (Pvt.) Ltd. on January 25, 2023.

**Discussion:**

The Committee discussed the matter and confirmed that as per the RFP, Service Code 0545 is essential for the project, while M/s. National Engineering Services Pakistan (Pvt.) Ltd. obtained the code after the date for bidding. However, it is a mandatory requirement for a consultant to possess a valid registration certificate from the PEC with this code at the time of bidding. Hence, at this stage it cannot be entertained as it will not provide level playing field for others.

**Decision:**

- Based on the above considerations, the Committee decided to endorse the decision of the Consultant Selection Committee.
