SUBJECT: COMPLIANCE OF SINDH PUBLIC PROCUREMENT LAWS

It is to inform that Section 5 (1) of Sindh Public Procurement Act, 2009 stipulates as under:

“Subject to other provisions of this Act, the Authority may take such measures and exercise such powers as may be necessary for improving governance, management, transparency, accountability and quality of public procurement of goods, services and works in the public sector, as well as in collaboration with the private sector”.

2. However, it has been observed that Procuring Agencies generally are paying least attention to the transparency, efficiency and quality of procurements. This laxity results in wastage of public money and deprivation to citizens from enjoying benefits of public procurements.
3. It has also been observed that some Procuring Agencies have been involving in collusion with contractors in award of contracts which is against the spirit of procurement laws.
4. It may be noted that in terms of Section 2(i) of Sindh Public Procurement Act, 2009 procurement in contravention of any provision of SPP Act, 2009, Rules, 2010, regulations, order or instruction made there under or any other law in respect of, or relating to, public procurement may render the procurement process as a Mis-procurement.
